BARRY D. WOOD

Sorry this is so late!  
I wanted to write a  
newsy letter to go with  
it, but the closest I  
can come is to send along  
a copy of the letter your  
darling daughter wrote  
to the Holsingers (our  
friends who moved to  
Ethiopia. (over)

Senator Bennett  
taught a couple of  
excellent HP Group  
lessons yesterday and  
the week before -  
the last one on Evid  
Waldholtz. (Joe was  
e.g.  
Jewish masquerading  
as Episcopalian. Took  
her to " services, where  
he knew the whole ritual -  
a real con artist.)

Love -  
Barry
